

Disability Access Information for Graduation

Graduates with Disabilities

Graduates with disabilities that need disability related accommodations for the graduation ceremony should complete this online [Accommodation Request for Graduates Form](#) by **May 10, 2019** for mobility assistance, an American Sign Language interpreter, or other accommodations. You may also contact the DSPS office for additional information.

Guests with Disabilities

There will be a section with reserved accessible seating located in the convention center ballroom. The seating is available on a first come first serve basis so it is advised that any guests needing accessible seating arrive early. Access will be given to the guest with a disability plus 1 additional guests. Once the section is **FULL** it will be closed. **Please advise your guest to arrive early if they are needing accessible seating.**

Sign Language Interpreters will be on stage for graduation at the Convention Center and will be video casted on the screens visible throughout. There will also be a limited amount of seats reserved for Deaf Guests in the accessible seating area. Please arrive early for optimal seating.

Accessible Parking

Candidates or guests with State of California disabled parking permits may park in any legal stall in Convention Center Parking Lot. There are a limited number of accessible spaces reserved in each of the parking lots.

If you are a guest or graduate with a significant mobility limitation, there will be a designated drop off location at Front Drive in which wheelchair transport will be available.
